The 2013 Wagner Cup -  
FIM Trial World Championship Trial  
May 25, 26, 2013

Hello Everybody,

As most of you have heard, the Trials Training Center has been selected to host the 2013 Wagner Cup - FIM World Trial Championship! For the 1st time in five years, the FIM World Trial Championship is coming to North America. It has been a long time coming, and we are so pleased to be hosting this event again!

We want you all to know, this is not just our Trial, this is North America's Trial, and as such we will need help from all of North America. This is a request, nay, a plea, to get all of you involved. We will need many volunteers for this event to run smoothly and efficiently. The time is fast approaching, and we need all of you to help. We are PROUD to have the other nations come to North America, and to the USA; so let's unite to make this one of the best events EVER!

We would like to ask all of you Trials Clubs in the NATC, to come out and sponsor a couple of sections. Charlie will be having a "Checker Prep Class" before May for those of you who need a refresher course. Every club that provides checkers can sponsor a section. Each volunteer will receive a three day pass, car park and tent site. We encourage you to bring a club banner to hang within the sections you volunteer in. This event will get National Media and Social Media coverage. What better way to get the word of Trials out there, than to have your club represented at your section(s)! So, all interested clubs should contact us.

We have received the new instructional video demonstrating the No-Stop techniques used for the 2013 World Trial Competition. This video shows how the new "no - stop" riding will be done, the rules for observing appear to be very straightforward.

If you would like more information, or would like to volunteer, please contact Ashley at (423)942-8688 or send an email to [ashley@trialstrainingcenter.com](mailto:ashley@trialstrainingcenter.com).

People interested in checking, please contact Garry Hoover at (919)810-1510 or send an e-mail to [hooverg@bellsouth.net](mailto:hooverg@bellsouth.net).

The 2013 Wagner Cup -  
FIM Trial World Championship will be May 25, 26, 2013 -MEMORIAL DAY WEEKEND!

Kindest Regards,

Ashley Jackson
