

# The 7<sup>th</sup> Annual Cow Creek Trial !

Sunday November 17, 2019

Welcome to the seventh annual Cow Creek Trial on 250 acres of prime Hill Country terrain. Many thanks to one of Jon's good friends for his the generosity and for allowing us to play on his property!

**Address:** 26900 FM 1431, Marble Falls, TX 78654 **GPS:** 30.5232,-98.0545

**Google maps:** <http://goo.gl/maps/dstso>

**Directions.** From Hwy 183 in Cedar Park, take FM 1431 18.5 Miles West. If you know where Joe Miller's turnoff is ("O" near Jonestown on the google map), it's 12 miles past that. After passing through Jonestown and Lago Vista, you will pass Singleton Bend Road (a left), then Cow Creek Road (a right). You will then pass over Cow Creek. Go 1 mile further (still on FM 1431). Look for the signs and tape on the right (A). Follow the driveway about 1000' and take the Right fork/gate. Go 3/4 mile UP to the parking area. Please park as far into the parking area (either side of road) that you can so everyone will fit. The road is ROUGH and low clearance vehicles may drag. Be sure to **CLOSE THE GATE** behind you to keep the cows in!
