Come out and enjoy the third and fourth rounds of the Summer Series this year. Neil's place is a favorite by many especially new riders due to the rock-free dirt. Terrain is very deep dirt banked ravines for all skill levels from Cadet to Master all in a condensed area. Plenty of camping area so all are welcome to arrive Friday to get the weekend started and stay till Sunday. We will ride Neil's event sections on Saturday, as we always do, then after the awards, riders will draw for a section to reconfigure to ride on Sunday morning event. We did this "Roll your Own" at Neil's last Summer event and it worked out great.

Classes are:

Strider, Cadet, Rookie, Novice, Amateur, Vintage, Intermediate, Advanced, Expert, Master

Trial Master: Neil King

Group judged summer series style, riding 6 sections with 3 loops
